From

A. Khaleeli, Esq., I.C.S.,
Director of Industries and Commerce, Madras.

To

The Secretary to the Government of Madras,
Development Department, Fort St. George.

Sir,

SUB: Government Silk Filature, Kollegal - Silk testing machines - Staff for handling the machinery and their deputation to Bengal -
REF: G.O.No.Ms.1701 Development dated 18th April 1944 -

In the G.O. cited, Government sanctioned the purchase of the silk testing machines detailed in the annexure to the Order which was modified in Government Memorandum No.39250-D/44-2 Development dated 19th July 1944. The skein winder has been received at Kollegal and it is expected that the remaining items of machinery will be received shortly.

2 At the recent Silk Conference at Bangalore, the question of the personnel required for handling the silk testing machinery was discussed and it was decided that at least two young men should be put in charge of this work. I suggest that Government sanction two posts of Silk Testing Assistants, one in the grade of 150-10/2-170-15/2-200 and the other on Rs.100-10/2-150 - the former being known as Silk Testing Assistant Grade I - and also three posts of ~~temporaries~~, upto 31st March 1946. All test reports will issue on the responsibility of the Silk Testing Assistant, Grade I, who will be in general control of the silk testing

pto

machinery and the staff employed.

The Director of Industries and Commerce will be the appointing authority in respect of the posts of Silk Testing Assistants and the General Manager, Government Silk Filatures Kollegal in respect of Silk Testers.

3 I request that early sanction may be accorded to the creation of the above posts. I also request that I may be permitted to depute the Assistants to Bengal for training for a period of three months at the Bengal Silk Conditioning House, Calcutta. I suggest that they may be permitted to draw Dearness and other allowances at the rates admissible to Government servants in Calcutta. I have no details of the at present. I also suggest that, in view of the difficulties of Third and Inter Class travel under the present conditions over this long distance, they may be allowed second class railway fare to and fro Calcutta.

4 The expenditure on the staff may be debited to the Government Silk Filature, Kollegal. The Accountant-General may be authorised to admit the expenditure in audit pending the provision of funds later in the year.

A K Lahiri

s.n.8-11. Director of Industries and Commerce.

Memo no. 6584 D/44-2 d 8.12.44

Sub: Estt. – Deputation – Govt. Silk Filatures, Hillyard – Staff for handling Silk testing machine – Proposals of D. I. & C.

Ref: From the D. I. & C, no. 3659 D/44 d 8.11.44

It has been suggested that it would be expedient to appoint one Silk Testing Assistant on a scale of Rs 85–120 (Scale of pay drawn by the Chief Reeman) as the actual work of testing silk would be presumably done by the three Silk testers proposed to be employed and as the work of the Asstt. proposed in the letter cited will be confined to supervision of their work and the issue of test reports. The D.I.&C. is requested to offer his remarks on the above suggestion

The Secretary to Government,
Development Department.

Enclosures:

No. 3659-D/44 dated 19th December 1944.

Sir,

Sub: Establishment - Government Silk Filature, Kollegal Staff for handling silk testing machines.

Ref: Government Memorandum No.65849-D/44-2, Dev., dated 8.12.1944.

In the Government memo.cited, it has been suggested that one silk testing assistant on a scale of Rs.85-120 would be sufficient for handling silk testing machines. During my recent visit to Kollegal, the Chief foreman of the filatures represented to me that their scale of pay is quite inadequate and that it should be raised substantively. I have examined the question and am satisfied that the pay given them is not commensurate with the responsibilities that attach to these posts and I am therefore submitting proposals separately in regard to revision of their pay.

2. As regards the suggestion that there should be one silk testing Assistant I must point out that it was Mr. Targett, Director General of Supply, Textile Directorate, New Delhi who when he attended the recent silk conference held at Bangalore, wanted that two men should be trained at the Silk Conditioning House, Calcutta for handling the silk testing machinery, vide para 6 of the Record Notes of the Conference. I agreed with him and consider two assistants are quite necessary for the purpose. The three silk testers on Rs.23/ each cannot independently do the silk testing work without constant guidance and instructions from the two assistants.

3. The pay suggested by Government for the assistants is not commensurate with the work expected of them, work which is highly technical and most onerous. I had thought of proposing one Gazetted officer and an Assistant on a scale of Rs.150-200 to be in charge of this work as is in Bengal and Mysore but I did not do so as the work is now in the initial stages only. I have no doubt that in course of time a gazetted officer and an Assistant on Rs.150-200 scale will have to take the place of the two Assistants on the scale of pay now proposed by me.

4. I have since heard from the Deputy Director General (Production) Calcutta regarding the programme for training in silk testing at the Silk conditioning House, Calcutta and enclose a copy of his letter for the information of Government.

I request that early orders may issue on my letter No.3659-D/44, dated 8.11.44.

for Director of Industries and Commerce.

Copy of letter No.1414-PN/31(1)S/44,d/-9/10.11.44 from the Controller of Production,for Dy.Director General(P.), 1,Fairlie Place,Calcutta to the Director of Industries and Commerce, Madras.

Sub: Silk Testing - Training.
Ref: This office No.27 PN/31(1)S/44,dated 9.10.44.

Training for your officer can now be arranged at the Silk Conditioning House, Calcutta. The programme will be as follows:--

(i) Theoritical studies and discussions.	3 weeks.
(ii) Preparing a note on the method of work and actually observing the work in different sections.	4 "
(iii) Testing of samples and practical handling of all works; and	4 "
(iv) General discussion about organisational matters. -	1 week.

You have to supply five 50 Skein samples of different grades of silk for the training.

Sericulture -

Sub: Industries -/Govt. Silk Filatures, Kollegal - Temporary staff of Silk Testing Assistant and Testers - Sanctioned.

Read again: G.O. No. 1701/Ms. Dev. dated 16-4-44

Read also: From the D.I.& C No. 3659D/44 d. 8-11-44 and 19-12-1944.

G.O. MS. NO. 288 DATED 24.1.45

The Government sanction the employment, temporarily till 31st March 1946 from the date of appointment, of the following staff for working the silk testing machines in the Govt. Silk Filatures, Kollegal

(i) One Silk Testing Assistant on Rs.150 --10/2-170--15/2--200 p.m. and

(ii) Three Silk Testers on Rs. 23 p.m. each.

The proposal of the D.I.& C to employ a second Silk Testing Assistant for the work is deferred for the present.

2. The Silk Testing Assistant should, on appointment, be deputed for training for a period of three

months in the Bengal Silk Conditioning House, Calcutta. He will be entitled to second class railway fare for his journey to Calcutta and back, and to draw during the period of training dearness allowance admissible to the Government servants in Calcutta and other allowances under rule 98(a) of the Madras T.A. Rules.

3. The incumbent of the temporary posts of Silk Testing Assistant and the Testers shall be liable to discharge from service on one months notice. No service rules in respect of those posts are therefore necessary, and consequently no rules are proposed to be issued.

The appointing authority in respect of the post of Silk Testing Assistant shall be the D.I.& C and the General Manager, Govt. Silk Filatures, Kollegal in respect of the posts of Silk Testers.

4. The expenditure on the proposals sanctioned in paragraphs 1 and 2 above, should be debited to "85.A

para 4, p 2 Cf

"85A - Capital outlay on Provincial Schemes connected with the war 1939 - C. Other miscellaneous schemes- F. Govt. Silk Filatures, Kollegal."

The A.G. is authorised to admit the expenditure in audit pending the provision of funds later.

GOVERNMENT OF INDIA SECRETARIAT TO GOVERNMENT
15 FEB 1945
DEVELOPMENT DEPARTMENT

107359/45

My dear Sivasankar,

Ref: G.O. No. [illegible] Development Dated 24-1-45.

In my proposals to Government, I asked for two silk testing assistants, one on Rs.150-200 and the other on Rs.100-150 for handling the silk testing machinery in the Government Silk Filatures, Kollegal, but Government in the order cited, have sanctioned only one post on Rs.150-200 and deferred the employment of the other. In reply to Government Memorandum dated 8-12-44, I have explained on 19-12-44, the necessity for employing two assistants for the purpose and for getting them trained at Calcutta now. As already pointed out to Government it was Targett who suggested the deputation of two candidates to Calcutta. As the cost of training is to be met by the Government of India (since both these candidates would be employed at the Govt. Silk Filatures), I suggest that Madras Government accept the proposition of the Director General of Supplies Government of India and sanction.

P

my proposal to employ a second silk testing assistant on Rs.100-10/2-150 and to depute him for training Calcutta.

Yours sincerely,

T. Sivasankar Esq., I.C.S.,
Secretary to Government,
Development Department,
Fort St. George, Madras.

No 1073 S. 2/45 — dt 21.2.45

Subject: Government Arts & Science College - Appointment of Additional Second Grade Tamil Assistant

Ref: Govt. Lr. No. 5655 S. 2/45 dt 13.2.45. abm pp/11-2 Eng

The Govt. consider that Krishna Mudaliar is the most suitable candidate and hence they are pleased to appoint him as Additional Second Grade Tamil Assistant in the Government Arts College, Kumbakonam with effect from the date he takes charge of the post. Should there be a second Additional Second Grade Tamil Assistant necessary, the question may be considered afresh.

Y. S.

A/ Sub: Estt. Industries - Govt. Silk Filatures, Kollegal - staff for handling Silk Testing Machines - Proposals of D. I. C.

C 6584 9.D/44 [illegible] Dev. Dept. No. 36594/D/44 dt. 8.11.44

To Addl. Secy.

In G.O. No. 1701 Dev. dt. 16.11.44 the [illegible] of 21 + 27 of Govt. Sanctioned the purchase of testing machinery for the Govt. Silk Filatures at a cost of 1856 American Dollars and the expenditure was included as an item of capital expenditure on the factory, recoverable from the Central Govt. The machines are reported to be arriving at Kollegal now in parts. For handling the machines the Director has now suggested the following proposals.

(a) Appointment of Two Assistants, one an Mechanical Engineer and the other a Chemist.

(b) Three Physical Testers on Rs. 25/- per mensem each for the testing of the raw silk and cocoons in the Physical and Bacteriological Laboratory at Bangalore.

The Director is also suggested that the Assistants will be allowed Travelling Allowance and Halting allowance admissible to Class II Officers of the Department when deputed on tour to Kollegal and other places.

The reasons adduced in justification of the appointment of Assistants is not satisfactory. The Director should be asked to submit his proposals for the purchase of Silk Testing machines and the Engineer required for the erection of the machines. The Director should also be asked to submit a scheme for the training of Reelers in the Filatures. It is also not clear whether the charges on

2/

for testing of the
Staff will be included in the Cost of Products of Sch. A Y or p. 4
Sch. The D.D.E's proposal indicates that the existing Staff of the factory cannot handle the machinery for which there is a shortage of trained Staff for the Assistants Sch. B p. 2
2. The Resident of the Engineers at Bangalore is also in favour of training a staff for the Assistants
machinery for which there is a shortage of trained Staff for the Assistants Sch. B p. 2

F. II

A testing house is an essential adjunct to any silk factory. It pays a factory to have respectable superior hands & there should be some safeguard about hand & due attention to the manufacture & determination in finality, in all which such determination comes & notice otherwise Expert in dealing will be provided in the lay & grant of superior yarn, which secures a reliable low price, will be produced. This fact Govt. have in a testing house. We have placed an order for key machines that we should have an adequate trained staff & work them. The D.I. & C.'s proposals may be accepted.

As the trains to & from Calcutta are crowded the Assistants may be permitted to travel below as a special case. The Conditioning may be restricted to the journeys undertaken in connection with the training at the Calcutta Silk Conditioning House.

A

D. 22/11/44

D.O. No. 6584 DF44-1
27.11.44

Finance(E-II).

In G.O. 1701 Dev. dated 18-4-44, sanction was accorded for the purchase of certain silk testing machines for use at the Govt. Silk Filatures, Kollegal. In connection with the handling of the above machinery, the D.I. & C. has submitted the following proposals:-

a) The employment of the following staff: Upto 31-3-46.

(1) 1 Testing Assistant on Rs 150--200 Gr. I
(2) 1 do. 100-10/2-150
(3) 3 Silk Testers on Rs 23/- each p.m.

and Deputation of the two Assistants (Items (1) & (2) in (a) above) to Calcutta for training in the Bengal Conditioning House at Govt. cost for a period of 3 months;

(b) Grant to the Assistants, during their training, of d.a. and other allowances at the rates admissible to Govt. servants in Calcutta.

SECRETARIAT TO GOVERNMENT
17 NOV 1

6260 9 E II

K

para 2 on p 1 of

para 2 on p 1 of

(2) To allow them to draw II class railway fare for journeys to and ~~from~~ fro Calcutta.

Development support the proposal for the reasons given on p.3 above. The expenditure involved on account of the staff is Rs 5,323 p.a.

The following remarks are called for:-

General. In view of the reasons given by the Development Secretary on p.3 above and as Govt. have already sanctioned the purchase of the necessary machinery the need for the establishment of a testing house as an essential adjunct to Govt. Silk Filatures and the necessity for the employment of the staff to handle the machinery may be agreed to. -- also see 'M' on p.2 of Z), -- though as stated by Development on p.1 above the tests made at the factory will not be acceptable to the department of Supply and that the silk manufactured will still be subject to the usual tests at Mysore Sericultural Department Testing House.

Details of staff.

(a) on p.3 above - Items (1) and (2).

1 Assistant on Rs 150--200
1 Assistant on Rs 100--150

When submitting proposals for the purchase of the silk testing machinery the D.I. & C. did not state that a separate staff would be necessary to handle them. In the factory, there are a number of technical men and the D.I. & C. has not stated why any one of them could not handle the machines under the guidance and supervision of the Chief Foreman or the Asst. Manager. He has not also explained clearly the nature of the duties that are expected of the Testing Assistants and also the qualifications that should be possessed by the Assistants proposed. The actual work of testing silk will perhaps be done by the 3 silk testers proposed to be appointed and the Assistants will, it is presumed, only supervise the work of the testers and issue the necessary test reports.

If the position is as stated above, this department may suggest that one Assistant on Rs 85--120 (scale of pay drawn by the Chief Foreman) may be sanctioned.

3 Silk Testers on Rs 23/- each p.m. May be accepted.

Debit. The expenditure is proposed to be debited to

the Govt. Silk Filatures. It is presumed that the cost of the addl. staff will, as in ~~other cases~~ the case of the main establishment, be included in the cost of production of silk and charged to the department of supply -- Cf. 'A' on p.2 above.

Financial procedure. If the cost of the staff as finally sanctioned exceeds Rs 5,000 p.a., new service procedure should be followed; otherwise A-1 should see.

C.S.R. Dearness allowance. The proposal of the D. of I & C. to permit the Assistants deputed for training at Calcutta to draw dearness allowance at the rates admissible to Govt. servants (presumably under the Govt. of India) at Calcutta seems to be objectionable in principle. Such a procedure was not adopted in the past, for example in the cases of Forest Rangers undergoing training at Dehra Dun and the staff of Civil Supplies Department working in Northern India for procurement of grains. It is not clear what the D. of I. & C. means by the expression 'other allowances' in para 3 on page 2 C.F. Finance may suggest that only the rate of dearness allowance or war allowance as the case may be sanctioned by this Govt. be allowed to the Assistants to be deputed for training. As the period is 3 months, the Assistants will be eligible for transfer T.A. and no daily allowance for stay at Calcutta.

Permission for higher class travel: The Assistant Grade I, if sanctioned, will be eligible for Inter class while the other Assistant for III class. The Govt. allow higher class travel only in exceptional cases. A.I (Sir Hugh Hood) recently pointed out in a similar case that second class travel should not be allowed and also remarked that bona fide second class passengers would be put to inconvenience by the grant of the concession. For orders whether Finance may advise that nothing beyond what is admissible under the rules need be allowed.

28/11/[illegible].

Dy Secretary's queries in the margin:

D. [illegible] is admissible to the Assistants under the C/I

scheme will be Rs 18/- as against this Govt's rate of Rs 13/hm. pl see flag (S).

'B': The staff deputed to the Northern India on Civil Supplies work were given dearness allce ~~applicable to Govt servants on tranfer to Hqrs~~ at Madras - pl see the two instances at flag (U). They were already drawing allowance as their deputation was a 'journey on tour'. [In this case, the staff is sent for training. T.A. rule 98(a) provides for the grant of daily allce only if the period of training does not exceed 2 months & tour t.c. is allowed. The training period here is 3 months & transfer t.c. is admissible]

1.12.44. Dearness allowance allce is a ... place to live in ... agree to the proposal.

Daily allowance. TTA rule 98(a) may be relaxed.

1.12.44 71012D/44

Def. Dept Dis no 62609 ETA dt 1-12-44

To Addl. D.S.

With reference to 'M' on p 4 above, it is for Govt's decision whether the D.D&C be canvassed. If so, a draft memo to the D.D&C. is submitted below for approval. ~~The other points raised in the finance note on pp 5-6 above may be considered after a reply on the suggestion at 'M' on p 4 above is received from the D.D&C.~~

Permission for higher class Railway travel: Dis do not agree with the dept on this point for the reasons stated at X on p 5 above. If orders thereon the views of the Dept will be agreed to.

Other points in the dept's note do not call for any remarks. They may be agreed to.

If it is not considered necessary to consult the D.D&C on M above, a summarising note will be submitted after orders are passed on N above also.

Pmt. 6 ; [From the D.I.Sc., No. 3659 D/44 dated 19.12.44]

To Addl Secy:

Pmt. 5 as desired. I am directed to say that with regard to the staff for the Silk Testing machinery in Silk Section, Kollegal and Mysore Circle,

(i) Employment of Two Silk Testing Assistants, one on Rs 150-10/2-170-15/2-200 and another on Rs 100-10/2-150. and of three Silk Testing Peons Rs 23/- p.m. each for the period upto 31.3.46;

(ii) Deputation to Calcutta for a period of three months of the two Assistants for training in Silk Testing and payment to them of dearness allowance and other allowances admissible to Govt. servants at Calcutta; and

Permission to the Assistants to draw II class railway fare for journeys to and fro Calcutta.

2 X on p 2 of

p 3 above

2 on p 4 below

Govts on p 5 at b of A

X on p 5 at b

11 on p 4 at a

The dept supported the proposals of the D.I.Sc. The dept have agreed to the employment of the 3 Testers and also to the payment of dearness and other allowances as at Calcutta to the Assistant or Assistants to be appointed and deputed for training. They do not support the proposal to allow the Assistants to draw II class railway fare for journeys to & fro Calcutta. They have also suggested whether it may not be sufficient to appoint one Silk Assistant on Rs 85-120 (Pay of Chief Foreman in the factory) instead of two proposed by the D.I.Sc. In his further report at pp 5-6 of, the D.I.Sc. has emphasised the need to employ two

Testing Assistants on the Scale of pay suggested by him.

It is now for consideration

(1) Whether the Dept should object to the Dept employing Assistants on the scales proposed, which are

(2) Whether the Secretary of the Dept to allow the Assistants and Writers Grade to be paid on the rates, instead of the Class for Railway Grades to be for calculation will be objected to, or the proposal of the Dept framed against.

After orders are passed on the above points, we may see the Case for returning Papers circulated.

2.1.43

(1) alone. We may pass this for the reasons given by the Dept I & L. Fin may (1) alone. For orders as to whether we are to press this (please see "A" on P.S note, "X" on P.S note and "N" on P.S note)

P.S

Immediately on receipt of Postal Order

I regret I am unable to support the proposal that there should be 2 assistants to supervise the work of 3 testers. I agree with Finance that one Assistant should do, but with the average test - Silk testing is a skilled job - but should it is important that the man in charge of the Silk testing house should be paid adequately. The scale of pay proposed by the Dept for Class I Asst 175/450 - 15/- - 420 - 15/- - 570 may be agreed to I adhere to the view that Class II should be

allowed where officers are required to travel on long distances. The Calcutta line is particularly granted.

Dy 5/1/45

Dev × 6584920/44-3
6.1.45

ASSIST. FINANCE DEPARTMENT 1 JAN 45

9384/D

Finance(E-II).

(Previous Finance notes on pp.3-6 above)

The further notes of the Development Department on pp.6-9 above may be perused. The outstanding points are:-

(1) Employment of 2 Assistants -- 1 on Rs 150-200 and 1 on Rs 100-10/2-150.

(2) Permission to the Assistants to draw II class railway fare to and fro Calcutta in connection with the training at the Silk Conditioning House at Calcutta.

They are examined below:-

Item (1) above. For the reasons stated on p 4 above, this department suggested that one Assistant on Rs 85-120 (scale of pay drawn by the Chief Foreman) may be sanctioned. The D.I. & C. to whom the suggestion was put has not explained the nature of the duties that are expected of the Testing Assistants and also the qualifications that should be possessed by them but has merely stated that the pay suggested by the Govt. (Rs 85--120) is not commensurate with the work expected of them as the work is highly technical and onerous. The Development Secretary considers that one Assistant would do but recommends that the scale of Rs 150--200 may be sanctioned as the work of silk testing is a skilled job and as the man in charge should be paid adequately.

p 3-4 cf

pp 5-6 c f

page 8 above

It cannot be said that the duties of the Assistant will be more onerous than those of the Chief Foreman at the Factory who is only on the scale of Rs 85--120. This department may again suggest that the Assistant may be on the scale of Rs 85--120 and that if and when the pay of the Chief Foreman is revised, the same increased rate of pay may then be given to the Assistant also.

M

he may agree to this.

Item (2) above. Development Secretary adheres to the view that 2nd Class travel should be allowed where officers

2 on p 5 cf

are required to travel long distances and as the Calcutta line is particularly crowded. The difficulties pointed out by the Development Secretary are common to all officers who have to travel long distances particularly in the Calcutta line. When a general concession applicable to all officers who travel on duty to Calcutta has not been sanctioned by Govt. it does not seem that there is any special reason to sanction the concession in the present case and it would become an inconvenient precedent. In the circumstances, this department may adhere to the view already expressed on p.5 above and advise against the proposal to allow the officer travel by 2nd cl. But he may be allowed, as a special case, to travel by inter class.

As the higher scale of Rs. 150-200 proposed by Dev. was accepted, inter class will be admissible under Annexure I to the T.A. Rules.

(i) Whether the proposal of the D.I.G. to appoint

6 Months ago

2 Assistants on the scales of pay proposed by him and of 3 Testers on Rs 123/- pm each will be accepted or not;

(ii) Whether, as proposed by this dept and agreed to by the Dept, this employment of one Assistant on Rs 150-200 and of ~~three~~ 3 Testers on Rs 23/- pm each will be accepted;

may be accepted

and

(iii) Whether the Concession regarding 2nd class

A ante p 9 above

Railway travel to the Asstt or Asstts for their journey to & fro Calcutta for training will be agreed to or the Fin. Dept's suggestion to deny it altogether will be accepted

to be above Forwarders

~~accepted~~

My note at pages 8-9 above may be perused. We may sanction in the first instance the employment of 1 Assistant on Rs.150-200 and of 3 testers on Rs.23/- per mensem each

I still think that the concession of second class travel should be allowed to the Assistant for his journey from Madras to Calcutta. The Calcutta line is notoriously overcrowded.

J. Addl. S.S.

A draft order is submitted below for approval. ~~It may be sent to Finance for concurrence~~ The temporary staff employed in the Port Blair dockyard, Railway are kept outside the scope of the usual rules. The posts now created may also be similarly treated. [The draft order Contains provision to this effect. It may be approved. (Public (SW) had none with a similar Case that has not been need to send the case to them for acceptance. This department need not therefore see the case)

Vide para 2 on p 11 c/s (K)

Para 3 of p 2 c/s (K)

If this is done, this may also be communicated to the Railway Administration.

Dev. Dept 15

Sub: Industries – Sericulture – Govt. Silk Filatures, Kollegal – Additional silk Asst. for handling silk testing machinery D. of I & C's proposals.

Ref: From the D. of I & C. D.o. no. 3659 D/44 d 13.2.45

J. Adall. 4.5.

Please see the D.o. from the D of I & C at ff 1-2 c

The proposal for the employment and deputation for training a second Asst. of Silk testing Assistant on Rs 100-150 p.m. was considered previously and it was held in this Dept as well as in the Finance Dept that it might be deferred for the present, only one Assistant on Rs 150-250 being appointed & retained. The main reason for deferring the employment of the second silk testing Assistant was that two Assistants were not necessary to supervise the work of three testers. For the reasons stated at B in pr 11 c, the D. of I & C. presses
